WEDNESDAY

11-01-17¹

FILM REVIEW

Jockey FLAVIEN PRAT came to the office to review his ride in the third race at Santa Anita on Sunday. His mount was the subject of an inquiry. In the stretch, initially his mount drifted in and then back out. While it was only a minor drift, he nevertheless interfered with a rival. He was issued a warning.

11-01-17²

DISPUTED JOCKEY CALL

On Monday (entry day) we received a call from Jockey Agent Ron Anderson (agent for Joel Rosario) explaining that owner Charles Fipke had failed to live up to a call on Forever Unbridled who was being entered to run in the Breeders' Cup Distaff on Saturday. He claimed that he had been given the call on the filly after winning on her in her last race by trainer Dallas Stewart. Mr. Stewart confirmed that Rosario had been given the call and as far as he knew, was riding the filly until he received a call from the owner, Charles Fipke, on Monday morning expressing his desire to ride John Velasquez. We spoke with Mr. Fipke this morning. He claimed that he personally had never given a call on his horse and that he was very busy and didn't have the chance to decide who was riding his mount until the day before entries. He also claimed that he asked Mr. Velasquez personally when he realized he did not have a mount in the race. After speaking with all of the parties involved, we unanimously determined that Joel Rosario had been given the call on the horse, and therefore was precluded from looking for other mounts in the race. We informed all parties involved that Mr. Rosario would be awarded a double jockey fee, meaning he would earn whatever Mr. Velasquez earns in the race.

11-01-17³**NBC MEETING**

We had a meeting with Producer AMY ZIMMERMAN and the on air personnel from NBC regarding the Breeders' Cup coverage. This provided a chance for us to explain our expectations and rules and for the NBC personnel to ask questions about California rules, procedures and Stewarding in general.

THURSDAY11-02-17¹**DISPUTED JOCKEY CALL**

On Sunday, Mike Lakow, agent for jockey Javier Castellano, contacted the Stewards to complain that he had been given a call to ride Mongolian Saturday in the Breeders' Cup Turf Sprint and that the owner and trainer had not lived up to that call, informing Mr. Lakow the day before entries that they would instead be riding Florent Geroux. We held a meeting with the horse's trainer, assistant trainer, and Mr. Lakow (on conference call) to determine the veracity of the claim. We listened to all parties, including examining text messages between Mr. Lakow and the assistant trainer. After the meeting, we unanimously determined that there was not a definite call for the race (from either side) and therefore no action would be taken. The parties involved were informed of our decision.

11-02-17²**INQUIRY/NO CHANGE**

Following the running of the sixth race, we posted the inquiry sign to examine the start of #6 Betdesilvergold who ducked in sharply interfering with the two horses to his inside. Video revealed that #6 did break in sharply on her own, unseated her rider and interfered with the two horses to her inside. After speaking with the patrol judges and reviewing the video, we made #6 Betdesilvergold a starter and declared the race official.

FILM REVIEW

Jockey FLAVIEN PRAT came to the office to review his ride in the seventh race yesterday. We felt he could have more of an effort to relieve some the pressure to his inside as the field left the turf chute. He thought he was doing all he could, while we thought he could have done a little more. We also reviewed his ride in the seventh race on Friday during which he appeared to use his crop four times without giving his horse a chance to respond. He agreed and accepted the following ruling:

DFTD RULING #004

Jockey FLAVIEN PRAT is fined THREE HUNDRED DOLLARS (\$300.00)* for violation of California Horse Racing Board rule #1688(b)(6) (Use of Riding Crop – more than three times in succession without giving the horse a chance to respond – third offense in the last sixty days), during the seventh race at Del Mar Race Track on November 3, 2017, (last offense October 22, 2017).

Jockey JOEL ROSARIO came to our office to review his ride in the first race on Friday. Video revealed that as Mr. Rosario allowed his horse to drift out as the field entered the stretch (the second time in the 1¼ race). Mr. Rosario, along with Darrel Haire of the Jockeys' Guild, claimed that he didn't drift out that far and that the horse to his outside was lugging in. We disagreed with that assessment, feeling that Mr. Rosario allowed his horse to drift out at least two paths before correcting that drift. We issued the following ruling:

DFTD RULING #005

Jockey JOEL ROSARIO, who rode INFOBEDAD in the fifth race at Del Mar Race Track on November 3, 2017, is suspended for THREE (3) racing days (November 12, 16 and 17, 2017) for altering course without sufficient clearance and causing interference entering the stretch. This constitutes a violation of California Horse Racing Board rule #1699 (Riding Rule – Careless Riding). Pursuant to California Horse Racing Board rule #1766 (Designated Races), the term of suspension shall not prohibit participation in designated races.

11-05-17²

VALET MEETING

We held a meeting with Michel Poincelet this morning as well as DMTC Director of Human Resources Ann Hall. We received a report that Mr. Poincelet has dumped a cup of water on Clerk of Scales Charles McCaul before the races on Friday. We contacted Ms. Hall immediately and DMTC relieved Mr. Poincelet of his duties for the rest of Friday and Saturday. The meeting was designed to determine how to proceed in this matter. Since the initial report, we also learned that there were two instances of physical contact – shoving and poking, which Mr. Poincelet did not deny. Given this contact, DMTC dismissed him for the rest of the meet and ordered him to seek anger management counseling with the Winners' Foundation. We directed the CHRB to conduct an investigation.

11-05-17³

HENDRICKS/BROKKEN/FINLEY HEARINGS

We held a formal hearing into case numbers 17SA164, 17SA0201 and 17SA291 which all stemmed from a phenylbutazone overage discovered in the post race drug test of one of trainer Dan Hendricks runners. Present at the hearing were the BOS, Safety Steward Luis Jauregui, trainer Dan Hendricks, CHRB Investigator Jim Hamilton, and Court Reporter Michelle Derieg. Veterinarians Brokken and Finley appeared by phone. Testimony revealed that Mr. Hendricks overage (3.85 ug/mL) occurred when two different private veterinarians prerace treated the horse with bute. We took oral testimony, documentary evidence and brought the hearing to a close. We issued a warning to Mr. Hendricks because of the level and his medication history. Decisions will be made with respect to the veterinarians.
